UPDATE...*little of this..little of that*

March 11, 2003 will be the date of our next Tech Expo at St. Louis University..Pius Library. Mark your calendar, more information will be mailed shortly. We will have some of the same type of sessions plus some added new sessions. New topics include eBook netLibrary, Virtually Missouri and internet plagiarism. If you have a topic to suggest, call or e-mail Bernyce, 314-965-1305 or bchristiansen@ursulinstl.org.

If you have not joined the St. Louis Regional Library List Serve, please consider joining. You will not receive may messages and I will be posting the update information for the network InfoPass program on the list serve in a few weeks. This saves us time and postage for those who can respond through the list serve. **To join the list serve see directions on next page.**

The Network Council still needs a public school representative. The person must be from a public school member library. This is a three year term with about four meetings per year. Meetings are usually at 10 a.m. and last about two hours. If interested please call Bernyce, 314-965-1305.
